Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Lamorinda Smart Signal System project** in Fiscal Year 2023.

The entity to receive funding for this project is the City of Orinda located at 22 Orinda Way, Orinda, California 94563.

The funding would be used to upgrade 55 traffic signals in Orinda, Lafayette, and Moraga to a smart signal system to optimize traffic flow to decrease congestion, reduce emissions, and prioritize transit and emergency vehicles.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier
Member of Congress
